

*Your home away from home*

*Not the works,*

*just what works*

**HON** **DAILY**

## EASY OPTIONS

HON Daily takes the guesswork out of buying office furniture. Bringing together our most popular furniture lines and our most requested configurations, HON Daily helps even first-time office furniture buyers shop with confidence. And with our designer-selected palettes, it's easy to coordinate fabric and finish colors. We'll manufacture your furniture to your exact specifications and deliver it to your dealer in about 3 weeks – that's half the average lead time in the office furniture industry.

**EASY TO SELECT**

HON Daily gathers the most popular HON desks, workstations, storage, seating, and accessories into one focused collection. The selection is complete enough to meet the needs of practically any office – from the reception area to the executive suite – and optimized to help you make confident decisions.

For a complete list of HON products available through HON Daily, talk to your local HON dealer.

**DESKING**

HON desks combine durability with the upscale aesthetic that's perfect for private offices. Choose from our most popular configurations.

**WORKSTATIONS**

HON workstations lend flexibility to your open office floor plan. Preconfigured options fit a variety of work styles, from collaborative to private.

**STORAGE**

Keeping the office organized – even in a one-person office – can feel like a full-time job. HON pedestal and lateral files can help.

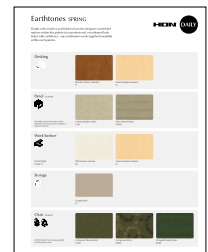

**CHAIRS**

Wherever you need chairs – the executive office, the conference room, work areas, reception – HON has easy options available.

**EASY TO SPECIFY**

You don't need to track down an interior designer to help you select the laminates, fabrics, and finishes to complete your HON Daily order. Our designers have done the work for you. Browse through the six designer-selected palettes and choose the one that best matches the existing elements in your space – your carpet, paint, wallpaper, etc. Once you've selected a palette, simply specify the fabrics and finishes you want. Everything works together within each palette, so you can't go wrong!

<b>CLASSICS</b>	<i>Brownstone Slate</i>	Exhibit timeless style in the red hues of Brownstone or the blue hues of Slate.
<b>EARTHTONES</b>	<i>Honey Spring</i>	Project a natural vibe with the warmer tones of Honey or the cooler tones of Spring.
<b>NEUTRALS</b>	<i>Dunes Clouds</i>	Assemble a pleasing combination from the rich beige of Dunes or the subtle gray of Clouds.
